THE ESSENCE OF FIRE...

Thank you for taking the time to view our our latest range of stone & marble fireplaces.

Everyone is unique in their style and taste and we are sure you will see the ability of our surrounds to suit all tastes. A fireplace really is an important part of any home, being the focal point of your living room.

Take advantage of our skills and experience to bring your ideas to life.

All our designs can be adapted to your requirements. Please ask and we will be happy to help.

A variety of hearth shapes and edge profiles are available on most of our designs.

There is a choice of materials from which to have your fire surround made. Other materials may also be available on request.

At Essence Fireplaces, we pride ourselves in our work & your satisfaction is of the utmost importance to us. We are able to adjust the sizes of most of our surround to suit your requirements, so please ask if you require any alterations.

All of our designs can be manufactured to bespoke sizes; please speak with your local stockist. Our surrounds can be manufactured with a standard rebate of 25mm or 75mm. Other rebates are available on request.

Please note marble and stone are natural materials, therefore variations in colour & marking do occur. However, please be assured we use only the best quality materials.

ESSENCE FIREPLACES
