PURE FIRE

Where craftsmanship
meets flame

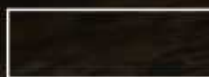

At its heart, rich amber and orange tones dance through a meticulously crafted flame effect, casting the warm, inviting glow of a real fire. Paired with a handcrafted premium real log fuel bed and thoughtfully refined detailing, Pure offers a sophisticated focal point that captures the timeless essence of natural fire, reimagined for modern living.

The Pure range is a celebration of fire in its most elegant and elemental form. Inspired by the true origins of a natural flame, it embraces simplicity as the ultimate expression of luxury – clean in design, effortless in presence, and beautifully authentic in atmosphere.

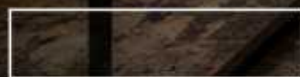

Plus, benefit from a 2-year warranty for complete peace of mind.

SAHARA

22" ELECTRIC FIRE

Shown with premium XL Contemporary Fascia
670 Width x 620 Height x 75mm Depth

The Sahara 22" Electric Fire combines contemporary styling with advanced flame technology to create a stunning focal point for any living space. Featuring realistic etronic flame effects, mirrored glass and a wider viewing area than the 16" model, it delivers an immersive flame picture with exceptional depth and ambience. The innovative slimline heater is discreetly

positioned above the flame screen, eliminating the need for a traditional canopy and providing an uninterrupted view of the flames. With adjustable flame settings, thermostatic controls and up to 2kW of heat output, the Sahara 22" offers the perfect balance of style, comfort and performance for modern homes.

SAHARA

16" ELECTRIC FIRE

Shown with premium XL Contemporary Fascia
520 Width x 620 Height x 75mm depth

The Sahara features etronic effect technology and mirrored glass for an ultra-realistic, relaxing flame pattern. The new slimline heater has been neatly disguised at the top of the flame screen

meaning that there is no need for a canopy. This new canopy-less design provides an uninterrupted view of the flame pattern whilst delivering 1-2KW of heat.

Features:

**Etronic Flame Technology
